# **TABLE SKIRTING**

# DEFINITION

- ❑ Is used to decorate tables to be used in different kind of occasions, for elegance, and to cover the actual table.
  - ❑ Is a decorative way to hide table legs and clutter in a home or during a special event.
- 
- A series of three parallel white diagonal lines extending from the bottom right corner towards the center of the slide.

# DIFFERENT KINDS OF TABLE SKIRTING

Gathered or shirred table skirts are a popular choice due to the simplicity and reasonable cost. A gathered or shirred table skirt is a **fabric drape drawn together by threads** along the top hem providing extra body to the skirt. A tighter gather gives a table skirt a full, ruffled appearance.

## KNIFE PLEATS

Knife pleats are one of the most common kinds of pleating for table skirts. **A knife pleat is a series of narrow, sharp creases folded in the same direction.** Unlike gathered table skirts, knife pleats create smooth, precise lines down the length of the skirt. The knife pleated table skirt is a classic choice that is the least expensive of the pleated variety.
